

Farmer in Focus

Questions

1. At a glance
Who:
What:
Where:
2. Can you tell us about your property/enterprise?
3. What are some of the opportunities you see for your business/property in coming years?
4. And what are your main challenges now, and into the future?
5. How has climate change impacted your farm business?
6. What are some of the on-farm adaptations or changes you've been employing in recent years and what's driving them? How successful have they been, and what benefits have you seen as a result? (have you collected any evidence of these benefits, and if so could you share this?)
7. What are your hopes for Ag in Australia, into the future?

Photo Images

Please provide 2-3 high resolution images to support your Farmer in Focus showcase. This can be portrait images and images of your produce or farm animals etc.
